COVID19 SAFETY: UPDATED RESTRICTIONS – 19th JULY 2021

You will all be aware by now that 19th July 2021 has been designated as a so called “Freedom Day” and that all social distancing requirements have been relaxed by the Government. However, at the moment we do not believe that this is appropriate and has the potential to undo all the hard work we have done to try and keep our staff, customers, and neighbours safe. Therefore, we have taken the decision that generally **ALL OUR CURRENT RESTRICTIONS WILL REMAIN IN PLACE** for the foreseeable future i.e.

NO MORE THAN SIX PEOPLE AT ANY TABLE AT ANYONE TIME

TABLES MUST NOT BE MOVED

WE ARE FULL TABLE SERVICE INSIDE & OUT – DO NOT APPROACH THE BAR

NO DRINKING / STANDING AT THE BAR WHATSOEVER

NO TABLE = NO SERVICE UNFORTUNATELY – WE DO NOT SELL DRINK TO TAKEAWAY

YOU MUST DRINK IN THE DESIGNATED AREAS AS ADVISED BY SIGNAGE & STAFF

However, from Monday 19th July 2021,

WE STRONGLY RECOMMEND THE USE OF FACE MASKS WHILST MOVING AROUND INSIDE THE BUILDING AT BUSY TIMES BUT WE WILL NOT ENFORCE IT

THE USE OF TRACK & TRACE IS AT YOUR DISCRETION

And remember,

BE NICE & POLITE TO OUR TEAM AND OTHER VISITORS

– or you will not get served and will be asked to leave...guaranteed

These rules are non-negotiable (we will not enter into discussion with you on the rules) and if you enter the premises **you agree to abide by them**. If you do not like the rules, and we appreciate that everyone has their own opinion, we respectfully request that you use other premises available in Seaton Sluice.

We appreciate that not everyone will like this as we all want to get back to “normal” (and actually make money) but “normal” is not suddenly going to arrive on 19th July 2021. Waiting a few more weeks whilst the data is verified on what impact “Freedom Day” has had can afford us a little peace of mind that, whatever the final outcome, we did our best for our staff and customers. We will review the above on a week-by-week basis.
